FINAL ELECTION ANNOUNCEMENT

On December 13, 2007, the Association of Colorado State Patrol Professionals (ACSPP) filed a Petition for Election and Referendum for Recognition as a Certified Employee Organization and a Partnership Unit Agreement representing the Occupational Group of State Troopers.

On December 28, 2007, in accordance with Executive Order D 028 07, Section III B, it was announced that ACSPP had successfully filed a Petition for Election and Referendum for Recognition as a Certified Employee Organization and a Partnership Unit Agreement representing the Occupational Group of State Troopers and that all Employee Organizations had fifteen days from the date of that announcement to file petitions to be considered in that election.

On January 14, 2008, pursuant to our initial Election Announcement and the Executive Order, an intervening petition was filed by the representatives of the Federation of Police. After careful review it has now been determined that this petition failed to contain enough signatures that would constitute thirty percent (30%) of the employees working in this Occupational Group.

Therefore, it is announced that the petition process for an Election and Referendum for Recognition as a Certified Employee Organization and a Partnership Unit Agreement representing the Occupational Group of State Troopers is closed effective this date January 24, 2008. An election for the ACSPP to represent the Occupational Group of State Troopers will be held at a date to be determined by the Director of the Division of Labor.

The date and method of the election will be announced to the ACSPP and employees of the Occupational Group of State Troopers three weeks prior to the actual election. This announcement will also be available to the general public on the Division of Labor's website: www.coworkforce.com/lab/union.asp.

The ballot will consist of two options. Employees in the Occupational Group of State Troopers will be given the option of voting for the ACSPP to represent them as a Certified Employee Organization or to vote for "No Representation".
