Re: Home Health Services

Dear Colorado Medical Assistance Program Provider Applicant:

Thank you for your interest in becoming a Colorado Medical Assistance Program Home Health Services provider.

To become a Colorado Medical Assistance Program certified agency, you must be certified as a Medicare Home Health agency. The Colorado Medical Assistance Program can certify specific services offered by your agency under Medicare with the exception of Medical Social Worker. Medical Social Workers currently cannot enroll in the Colorado Medical Assistance Program.

Please submit a completed Provider Enrollment Application to the fiscal agent, with the following information:

- Proof of Medicare participation (a copy of the letter from CMS)
- A list of branch offices
- List of the Board of Directors
- Geographical description of area serviced, including counties
- Compliance plan as described in Volume 8, Rule 8.526.17.
- Policy and Procedure for Long Term Home Health Prior Authorization

We have enclosed the following:

1) A list of Single Entry Point Agencies and Community Mental Health Centers,
2) Minimum insurance requirements, and
3) Colorado Medical Assistance Program Rules and Regulations order form (Rules are also available on-line at http://www.chcpf.state.co.us/HCPF/refmat/Reference_Include.asp, Staff Manual Volume 8 State Rules concerning Medicaid).

Providers are reminded that a transfer of ownership terminates the Colorado Medical Assistance Program Provider participation agreement. New owners must re-apply and complete a new Colorado Medical Assistance Program Provider participation agreement in order to participate in the Colorado Medical Assistance Program.

For further assistance, please contact Colorado Medical Assistance Program Provider Services at: 303-534-0146 or 1-800-237-0757 (Toll free Colorado).

Sincerely,

The Colorado Medical Assistance Program
