FIELD HISTORY SHEET

Give the following information on each field under your management for the current year and previous 2 years for new applicants. Applicants currently certified by the Colorado Department of Agriculture may complete just current year. Include fields requested for organic certification and fields in transition/conversion to organic production. *Transition/in conversion* means that the fields are being managed in accordance with organic standards but has not yet met the standard for 36 months without use of prohibited products.

Producer Name _____

Code* O/T	Field No.	Acres	Year 2008		Year 2007		Year 2006	
			Crop	Inputs	Crop	Inputs	Crop	Inputs

*Code: O = Organic; T = Transition/Conversion to Organic
