Attachment L

# Colorado University of Naturopathic Medicine

CUNM

DENVER, COLORADO

This is a diplomate endorsement applying criteria beyond established standards set by the Dept. of Education. Following the highest standards of the Naturopathic Regulatory Board, under the Federal Intermediary Council, it establishes confirmation of **Certification, Accreditation and License Endorsement in a single authenticating document.**

*In whose presence these appear, the Department of Credit Transfer and Consolidation of this institution determines from various accredited schools, the acceptability of credits for alternative medical education. For this recognition, CUNM's high standards may exceed the credit hour requirements of the Dept. of Education by twenty percent or more.*

These Highest Qualifications and Standards having been clarified,

Be it Known That

has complied with and fulfilled all of this institution's requisites for

Acknowledgment of the Degree

## Doctor of Naturopathic Medicine

and is registered as a Diplomate of the American Board of Naturopathic Physicians.

Endorsed and seals affixed by the Federal Council's Regulatory Board and Dept. of Education, the State Alternative Medical Regulatory Board and the CUNM Board of Regents

on this 11th day of May in the year 2002
