2012 Catch the Glow Parade Information

Dear Friends:

We are pleased that your organization is interested in participating in this year's Catch the Glow Parade on November 23rd at 5:30 p.m. A parade application is included along with this letter. Once that application has been received it will be submitted to parade director Mike Young for his approval. As director, Mike will have the final say in whether or not the proposed unit fits within his design for this year's event.

As in previous years, other than official sponsors of Town-constructed floats, **no commercial advertising is permitted** in the Catch the Glow Parade. In addition, all units must be entered by non-profit groups or sponsored by a local non-profit entity in order to participate.

Remember – this is an evening parade – decorating your entry with lights is required so that it will be clearly visible.

For safety reasons:

NO CANDY OR HANDOUTS MAY BE THROWN FROM THE FLOAT OR PARADE ENTRIES

NO CANDY OR HANDOUTS MAY BE HANDED OUT WHILE WALKING ALONG THE STREET OR SIDEWALK

We thank you for participating and look forward to another great holiday parade experience. If you have any questions, call the Events Department at 586-6104.

Sincerely,

The Catch the Glow Staff

THE DEADLINE FOR ENTRIES IS Wednesday, NOV. 14th, 2012
