INSTRUCTIONS FOR FORM DR 1079

Form DR 1079 is the form to be used to remit Colorado tax withheld on transfers of real property interests. The determination of the amount to be withheld, if any, will be made on form DR 1083.

The amount of the withholding tax remitted will be credited to the Colorado income tax account of the transferor as an estimated payment. The transferor is to claim credit for the payment on the Colorado income tax return. For this reason it is extremely important that a separate form DR 1079 is completed for each transferor who will be required to file a Colorado income tax return, and that the correct social security number (for individuals) or Colorado account number (for other business entities) is listed on each form.

Send Form DR 1079, remittance for the tax withheld and Form DR 1083 to the Colorado Department of Revenue, Denver, CO 80261-0008, within 30 days of the date of closing. Please write the social security number or Colorado account number and the transferor's name on the check.
