Soccer / Lacrosse Complex

Complex will be constructed at the current Colorado State University – Pueblo Soccer Field and will consists of :

- New synthetic turf field
- New locker rooms and training room
- 600 – seat grandstand and press box

New General Classroom Building

Building will provide more effective and needed instructional space that will have the technology and flexibility to serve today's growing curriculum and student needs. Spaces to be included are:

(2) Large tiered lecture auditoriums
(6) New classrooms
(4) New computer labs

Building will be designed and constructed to a minimum of LEED (Leadership in Energy and Environmental Design) Gold Standard.

Occhiato University Center Renovation

The Occhiato University Center is the "hearthstone" of the University. Renovation of the building will provide:

- dynamic, technologically-modern spaces for students
- improved, energy efficient residential dining and retail functions
- functional separation of student-use areas from on-going community activities
