AMERICAN ARBITRATION ASSOCIATION, ADMINISTRATOR

ELECTIONS DEPARTMENT

In the matter:

STATE OF COLORADO – EXECUTIVE ORDER D 028 07
COLORADO DIVISON OF LABOR AND COLORADO WINS (an affiliate of AFSCME, SEIU, and AFT)

CERTIFICATION OF RESULTS – *ENFORCEMENT & PROTECTIVE SERVICES UNIT*

Pursuant to **Executive Order D 028 07**, the American Arbitration Association (AAA) was retained to review show of interest cards from Covered Employees from the Colorado **Enforcement & Protective Services Unit**. Said cards were filed with the AAA by Colorado WINS (an affiliate of AFSCME, SEIU, and AFT) on Thursday, March 27, 2008. In addition, the Governor's Designee for Employee Partnerships provided the AAA with a list of the 5,411 eligible Covered Employees from the Enforcement & Protective Services Unit.

The AAA proceeded to compare the show of interest cards with the names on the list of Covered Employees on Thursday, March 27, 2008 at 1675 Broadway, Suite 2550, Denver, Colorado.

Based upon the list of eligible Covered Employees from the Enforcement & Protective Services Unit provided by the Governor's Designee, in order to meet the 30% threshold a valid show of interest from 1,624 eligible Covered Employees from the Enforcement & Protective Services Unit is required. The AAA hereby certifies that 30% of the Covered Employees in the **Enforcement & Protective Services Unit** indicated, through their show of interest cards, that they desire to be exclusively represented by Colorado WINS for the purpose of negotiating a Partnership Agreement.
