WELD COUNTY ARRA FUNDING AND PROJECTS

- **Based on the latest information available to the Governor's Office.** This report is not comprehensive because new Recovery Act awards are announced frequently. This does not include funds - including income tax cuts, increased COBRA benefits, increased funds to cover Medicaid services and others - that cannot be broken down by county. The numbers below represent funds that have been awarded and are expected to be received over the life of the Recovery Act. The funds are distributed to a wide range of groups in the county and do not necessarily touch county government.

COMMUNITY SERVICES / SAFETY NET

$486,731 Community Services Block grant to Weld County for poverty reduction and revitalization of low-income communities. Weld County will provide services to residents through collaborative partnerships including childcare and Head Start centers within the county, the summer youth program, Employment First Program, and emergency services provided through Weld County Department of Human Services.
