Summary Description of Hospital Provider Fee Model
Hospital Provider Fee Oversight and Advisory Board (OAB)

Model Changes since January OAB Meeting (changes in bold, below)

- Data corrections for Montrose Memorial Hospital, Longmont United Hospital, Medical Center of the Rockies, and three Centura-CHI hospitals (St. Mary-Corwin, St. Thomas More, and St. Anthony North)
  - Overall payments increased, resulting in increased fees and lowered net for most hospitals
  - Increased supplemental payments for rural hospitals and metro hospitals by $15 and $10 per Medicaid day, respectively
- Outpatient Upper Payment Limit (UPL) methodology revision
  - Lowered amount of available outpatient UPL
  - The Children's Hospital's Supplemental Medicaid Outpatient Hospital Payment reduced to remain within outpatient UPL limit
  - Additional payment to The Children's Hospital under the inpatient UPL made (increases an existing payment under current approved State Plan; does not impact net payments to The Children's Hospital)
