OFFICE OF BARBER & COSMETOLOGY LICENSURE

New Program Director

On June 16, 2008, Ofelia Duran was appointed to be the Program Director for the Colorado Office of Barber and Cosmetology Licensure. Ms. Duran has worked for the Division of Registrations for twelve years in various roles. In her most recent capacity, she was the Assistant Director for the Office of Expedited Settlement.

New Program Supervisor

On September 2, 2008, Todd Jari was appointed to be the Program Supervisor for the Office of Barber and Cosmetology Licensure. In his capacity as the program supervisor, he is responsible for the daily operations of the Office in addition to supervising the program inspectors. Mr. Jari previously worked for the Department of Labor and Employment for seven years as a Labor and Employment Specialist.

New Examination Process

Effective January 1, 2009

The Office of Barber and Cosmetology Licensure contracts with Pearson VUE to administer the written and practical examination. One significant change you will notice if you are applying for the examination is that you will now be required to complete an application. You shall be admitted into the examination once you have filed a completed application and have met all the requirements for examination. After passing the written examination, you should expect to receive a license within ten business days. Additionally, the content of the practical examination has changed. To learn more information about the examination process, please visit Pearson VUE at www.PearsonVUE.com and click on Colorado Barbers and Cosmetologists.

Easier to Find Policies

We have now condensed all the Division Director's policies in one easy to find format. The Division Director also recently adopted a new policy that addresses the Director's Delegated Authority to the Program Director.

The Division Director also released two new Director's Position Statements on January 2, 2009. Number One: **Fish Pedicure**, not permitted in Colorado. Number Two: **Jurisdiction over Barbershops and Beauty Salons.**

You can review and obtain copies of all of the policies, rules, position statements, and statutes on the Office of Barber & Cosmetology Licensure website at:

www.dora.state.co.us/barbers_cosmetologists/index.htm.

This newsletter was created to improve communications between the Office and Colorado Barber & Cosmetology licensees.

Have You Moved Lately?

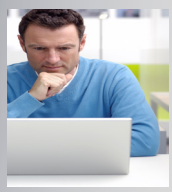
It is imperative that all licensees and registrants keep their mailing address updated with the Office of Barber & Cosmetology Licensure.

The Office of Barber & Cosmetology Licensure mails renewal information to the licensee at the last address furnished to us. Failure to receive such a renewal notice does not relieve the licensee of the obligation to timely pay the renewal fee and submit appropriate documentation in support of the renewal application.

If a licensee performs services without an active license, he or she is in violation of the Practice Act!

The DLS Registrations Online system makes it easier for all licensed professionals to renew and update their mailing and email addresses and other information at:

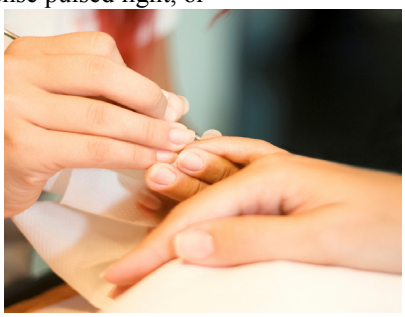
https://www.doradls.state.co.us/



RULE 800

Colorado Board of Medical Examiners Rule 800 for Cosmetologists and Estheticians has been updated – Are you informed about delegated Medical services?

As a licensee, you have the responsibility of knowing how the Colorado Medical Board of Examiners' Rule 800 impacts you and your business as it relates to the delegation and supervision of Medical Services, specifically medical-aesthetic services, such as the use of a laser, a radio-frequency device, intense pulsed light, or other techniques that result in the revision, destruction, incision or the structural alteration of human tissue and/or for hair removal.



These services also include the injections of Botox, Collagen, Restylane, or any other substance injected for a primarily cosmetic purpose. If you are performing any of these services, please review Rule 800 by visiting the Medical Board of Examiners website at:

http://www.dora.state.co.us/medical/rules/800.pdf.

You can also find an information sheet summarizing the implications that this Rule has on you and your business by visiting the Office of Barber and Cosmetology website at:

http://www.dora.state.co.us/barbers_cosmetologists.

Rule 800 requires that you and the physician, among other things listed in the Rule:

Assure that you, as the cosmetologist or esthetician, are identified in such a way that prevents confusion as to your qualifications and authority to provide medical-aesthetic services. *Reference Rule 800 (V)(B).*

Have a written agreement documenting and detailing the relationship, and it must be available to the public. *Reference Rule 800 (VI)(D)(1) Appendix A.*

Deliver medical-aesthetic services within an appropriate facility for the delegated service.

Registrations Online Services

The Division of Registrations continues to encourage usage of the Registrations Online Services. After a simple registration process, you can:

- **Renew your license using a credit card as soon as your license becomes eligible for renewal**
- **Update your mailing address and contact information**
- **Check the status of a pending application**

The DLS Registrations Online Services makes it easier for all licensed professionals to renew and update their mailing information. Check it out at: www.doradls.state.co.us.

For detailed instructions on how to use the online system, go to: www.dora.state.co.us/registrationsFAQs.htm.

If you are interested in viewing the disciplinary action documents, please visit Registrations Online Documents (ROD), found at www.dora.state.co.us/registrations/ROD.htm.

ROD is a website that allows the consumer to view images of scanned disciplinary documents through the Internet. In reviewing a licensee's information, it is important to know what is and is not available from the agency about Colorado licensees.

The following information WOULD appear on a record under Board or Program Actions if applicable to the licensee:

1. If a licensee had been disciplined or formally accused of wrongdoing by the Board or Program.
2. If the Board or Program has taken some other non-disciplinary action against the licensee that restricts or limits the individual's license.

Board/Program Action Documents available via Registrations Online Documents (ROD)

- All **Stipulations, Final Agency Orders**, and **Suspensions** that were in effect in February 2000 plus any that became effective since that date. Child support suspensions are not available online but may be obtained by contacting the appropriate Board.
- Any document **Revoking** or agreeing to a **Voluntary Relinquishment/ Surrender** of license or registration, **Cease and Desist Orders** and **Letters of Admonition** from January 1, 1999 to the present.
- All **Injunctions.**
- All **Notice of Charges** or **Formal Complaints**, if the information is a public record**,** for cases that were pending hearing as of February 2000.
- **Jury verdicts** against a physician or physician assistant in a civil medical liability trial that occurred after August 3, 2004.

Important requirement affecting your license renewal regarding lawful presence in the USA.

Effective January 1, 2007, all applicants requesting original licensure, renewal of an active license, or reinstatement of a lapsed license must complete and sign the Affidavit of Eligibility Form.

No license can or will be issued without this form.

The good news is that you can complete this form online when you use Registrations Online Services!

You must possess at least one secure and verifiable document and include information about that document on the Affidavit itself (or provide the information during online renewal).

The list of secure and verifiable documents is available to you when you renew online.

We also have a web page where you can read the law, look at the Affidavit, and see the list of acceptable documents.

www.dora.state.co.us/registrations/Affidavit.htm

RENEWALS

This renewal period you will receive a yellow **RENEWAL NOTICE POSTCARD.** There is no personal information on this postcard (other than your name, address and license number). This is the only notice you will receive. Let other people in your household know that this yellow postcard is not junk mail!

There is a 60-day renewal grace period following the license expiration date on April 30, 2009, during which time you will have to pay an additional late fee to renew your license. If you have not renewed your license before the 60-day grace period ends on June 30, 2009, your license will be lapsed and you must apply for reinstatement to continue practicing as a Cosmetologist. If you do not, you will be practicing without a license, which is a violation of Colorado law.

You can pay your renewal fee using a credit card, debit card or a prepaid credit card.
