    - Concern was given that the first payment and fee was scheduled for April 16th – right after taxes
- CHP expansion is expected to be retro to April 1, 2010
- Reviewed the Eligibility Expansions and CICP
    - If Medicaid eligible should not be on the CICP provider on how to handle and switch over
    - The group asked for a flyer and/or brochure to forward to advocates to help in this transition
    - Concern was given because an individual can fall in both CICP and Medicaid because of the rating system with CICP looking at resources and Medicaid does not
    - Working on updating application
    - Trying to avoid the client going to the county
    - Would like the FQHCs to verify the documents

    - Reviewed HB 1321
    - Those who do not participate in CICP will not see an impact

    - Was asked when this money will start to flow through?
        - The state plan has to go through first and then through Children's
