Income Tax - Gross Conservation Easement Credit (Gross Conservation Easement Holders)

Which organizations have filed form DR 1299 with the Department of Revenue?

The following organizations and governmental agencies have filed form DR 1299, "Colorado Gross Conservation Easement Holders Submission of Information," with the Department of Revenue, reporting the easements that they accepted in years 2011 and prior. These organizations and agencies each filed the form on or before April 15, 2012, as required by §24-33-112 C.R.S., in order to be eligible to accept any new easements in 2012. However, inclusion in this list does not indicate that the form has also been filed with the Colorado Division of Real Estate as required by statute or that the organization or agency has satisfied any other qualifications for easement holders, nor does it imply any endorsement by the Department of Revenue.

If you wish to donate a conservation easement, but do not see the name of the organization to which you would like to donate on the list below, please contact the Colorado Tax Information Call Center at (303) 238-7378 to determine whether they have filed a form DR 1299 with the Department of Revenue.
