Colorado Gross Conservation Easement Report (2007-Present)

This report has been created pursuant to Colorado Revised Statute §39-22-522(10) to include information about easement donations made in 2007 or later for which gross conservation easement credits were claimed. The included information has been derived from the Forms 1304 which have been filed by easement donors. In accordance with statutory provisions, donations from counties with less than three easements that have been included in this report have been combined and reported with a county listing "Other".
