**CALL TO ORDER**:
Co-chairs, Dr. Urbina and Mr. Sederberg called the meeting to order at 3:01 p.m.

Work Group members all introduced themselves.

Agenda: Guidelines, organization of issues, public comments, proxy and representation, and recommendations for reporting to the larger Task Force.

Identified Issues for this working group:
1. Advertising and marketing
2. Packaging and labeling
3. Product Integrity and potency
4. Education
5. Health and Safety

Discussion: Collect studies, data, research on the issues and input to a Drop Box for scientists to review and present to the Work Group. Look at national standards as examples, such as those for food, cigarettes. Form sub-groups from this Working Group to collect the information and data and report to the Working Group over the next meetings. Data can be collected from the public, research, publications, peers, etc.

Volunteers for the sub-groups
1. Advertising and marketing: Aaron, Lisa, Brandon
2. Packaging and labeling: Jade, Kari, Kevin
3. Product Integrity: Ian, Kevin, Laura
4. Education: Ashley, Jade, Ken
5. Health and Safety: Chris Wiant, Wade, Chris Thurstone, Frank

Vendor issues applied across the state and not in only one region
Public consumption or private member clubs
Seeds and pollination when grown outside
Due process
Education of public
Hemp vs marijuana

Proxy: Dr. Urbina asked Jack Finlaw and Barbara Brohl about proxies for this working group. They answered that the Task Force, as a voting group, can have proxies. Working Groups will not vote, but are valued for their recommendations to the Task Force. So, there is no opportunity for proxies for the Working Groups.

Working Group Recommendation Template: The group reviewed the template provided by Department of Revenue (DOR).

CLOSING: The group needs to maintain transparency. It would be best if materials to be presented to the next Working Group would be shared at least a day in advance so the Working Group can read the materials ahead of time and be prepared to participate in the discussion at the meeting.

ADJOURN: The meeting was adjourned at 5:00 p.m.
