INDUSTRIAL HEMP PLANT MATERIAL DECLARATION FOR INCLUSION

Please type or print clearly. Incomplete or illegible forms will be returned. Report is due with new registration application.

Old Registration Number: _____ Check which applies – Commercial ☐ or R & D ☐

Registrant Name/DBA Name: _____

Primary Contact Name: _____

Mailing Address: _____

City, State, Zip: _____

Business Phone: _____ Alternate Phone: _____

Email: _____

Varieties/Cultivar

For any plant material that was not harvested in the previous registration period and is intended to be covered under a subsequent registration, list variety name, acreage or square footage planted, description of each unique location where planted, and GPS coordinates for that location. Also use a separate sheet to provide a map of the total contiguous registered grow area for this new registration, showing the boundaries of the grow area and clearly delineating the location of each variety. **See sample below.**

Indoor Variety	Sq Ft	Description of Location; i.e., 1000 sq ft greenhouse or 100 sq ft shed, include adequate detail to clearly define	GPS – Longitude & Latitude – decimal degree format (from center of varietal grow area)

Outdoor Variety	Acres	Description of Location; i.e., 100 acres NW corner of registered grow area, include adequate detail to clearly define	GPS – Longitude and Latitude – decimal degree format (from center of varietal grow area)

SAMPLE BELOW Indoor Variety	Sq Ft	Description of Location	GPS – Longitude & Latitude – decimal degree
Joe's hemp	100	Hoop house, southeast corner of registered grow area	38.222320, -104.5665555
Joe's hemp	10,000	Fiberglass greenhouse, north boundary of registered grow area	38.445322, -104.4649444

Maps

Using a separate sheet please provide a map(s) (i.e., Google Earth) of the contiguous registered land area for this registration showing the boundaries of the grow area, dimensions, and clearly delineating the location of each variety within the registered land area.

_____ *Initials*

By initialing I am certifying that the above is an inclusive list of all plant material which was not harvested in the previous registration period. This declaration should be attached to this accompanying registration application for inclusion in the subsequent registration.

Statement of Verification

Provide a statement of verification that crop planted is of a type and variety of industrial hemp that will produce a THC concentration of no more than 0.3% on a dry weight basis.

PLEASE READ CAREFULLY.

I *(print name)* _____, declare under penalty of perjury that the foregoing is true and correct and that I am the owner or person with legal control of and authority to bind, the herein named applicant, and that I have read and understand all of the conditions and obligations stated herein. I understand and agree, as required by the Colorado Industrial Hemp Act:

_____ *Initials* That a registration cannot be transferred or assigned to another business, individual, or entity and that a registration is valid for one year from the date of issuance.

_____ *Initials* No industrial hemp plant shall be included in more than one registration simultaneously.

_____ *Initials* All industrial hemp plant material must be planted and harvested within a registration period. Any plant material that is not harvested in the registration period it was planted in must be declared for inclusion in a subsequent registration on a Hemp Inclusion Form.

_____ *Initials* That each noncontiguous land area on which industrial hemp is grown shall require a separate registration and that any addition of acreage or square footage to a registered land area shall also require a separate registration.

_____ *Initials* That no registered land area may contain Cannabis plants or parts thereof that the registrant knows or has reason to know are of a variety that will produce a plant than when tested will produce more than 0.3% THC on a dry weight basis. No registrant shall use any such variety for any purpose associated with the cultivation of industrial hemp.

_____ *Initials* That any registrant intending to sell industrial hemp seed grown under a commercial registration must also register with the Department as a farmer seed labeler under a separate application and adhere to all rules and regulations defined in the Seed Act and that no seed grown under an R&D registration may be sold.

_____ *Initials* To allow any inspection and sampling that CDA deems necessary and that CDA will be sampling plant parts containing the highest THC concentrations. Up to 100% of the registrations may be inspected. Individual or composite samples of each variety of the Cann abis may be sampled from the registered land area at the Department's discretion. Sample test results that are greater than 1% THC concentration may be provided to appropriate law enforcement.

_____ *Initials* To pay for any inspection and laboratory analysis costs that CDA deems necessary within 30 days from date of invoice.

_____ *Initials* That the THC concentration of all industrial hemp crops planted in areas under commercial registration are believed to be 0.3% THC or below on a dry weight basis.

_____ *Initials* To submit all required reports as published in Part 3, 8 CCR 1203 -23 by the applicable due dates specified by the Commissioner and I have read, understand, and will comply with the registrant responsibilities and reporting schedule outlined above in this application.

_____ *Initials* That any information provided to CDA may be publicly disclosed and be provided to law enforcement agencies without further notice to the registrant in accordance to *the Colorado Open Records Act §§ 24-72-201-206 C.R.S.*

_____ *Initials* I understand that growing Industrial Hemp (*Cannabis spp.*) is illegal under the Federal Controlled Substance Act, except by an institution of higher education pursuant to section 7606 of the 2014 Farm Bill or grown or cultivated for purposes of research conducted under an agricultural pilot program administered and directed by the Department.
