Update on Trauma RIE

Discussion: RIE (rapid improvement event) first session will be March 5th – March 7th, 2012. It will be held at the Hilton Garden Inn (across from CDPHE). There will be no teleconferencing. Website is: http://www.cdphe.state.co.us/em/trauma/TraumaRIE.html
Action Item(s): None. Information only.

Benchmark Report Update

Discussion: No update. Will have a report at the April SEMTAC meeting in Glenwood Springs.
Action Item(s): None. Information only.

Interfacility Transfer Rule Rewrite – see also attached draft rules

Discussion: Leave rule as written for GCS brain injury 14- 15, a patient with a GCS of 13 or below needs to be transferred. Margaret Mohan handed out survey results for neurosurgical availability for level I & II's. Level III's with neurosurgical coverage should have care that is close to equivalent to level I & II's.
Action Item(s): Staff encourages written comments on spinal cord injury proposed rules should be received no later than March 30, 2012.

Next meeting

The April 11, 2012 STAC meeting will take place in Glenwood Springs at the Glenwood Springs Community Center, located at 100 Wulfsohn Road. Teleconferencing will be available.
