Frequently Asked Questions

- Who do I contact for technical questions for Public Water Systems or WW systems?	-> Contact the Field Services Contact for your county listed above or the regional office.
- Should I contact my "District Engineer" (DE) for help?	-> There are no longer "DEs". Please contact the Field Services Contact for your county. They will coordinate with the previous DE if needed to provide the best service possible.
- Where do I find the FSS Website and guidance materials?	-> Visit: http://www.colorado.gov/cs/Satellite/CDPHE-WQ/CBON/1251628721854
- Who should I call about an water emergency or spill?	-> Call the hotline first (877) 518-5608 and the FSS Spill on-call contact will call you back.
- Who do I contact for Spill response 5-Day Reports and submittal questions?	-> Contact Michelle Thiebaud in the Field Unit #2 Grand Junction Office 970-248-7150.
- Who do I talk to for Non-Com. Groundwater questions (county contracts, inspections)?	-> Contact Cathy Heald, NCGW Coordinator at 303-692-3613.
- Who do I call for questions regarding Engineering Designs and Specifications approvals, submittals or status of reviews?	-> Visit the Engineering Section website at: http://www.colorado.gov/cs/Satellite/CDPHE-WQ/CBON/1251628966969
