Notice of Meeting and Agenda
Air Quality Control Commission
&
Board of Health

October 18, 2012

Colorado Department of Public Health & Environment
4300 Cherry Creek Drive South, Sabin Room
Denver, Colorado

10:00 a.m.

PLEASE NOTE THAT THIS MEETING WILL BEGIN AT 10:00 A.M. INSTEAD OF THE TYPICAL 9:00 A.M. START TIME

Call to Order: Determination of a Quorum

Approval of Minutes: Review/Approval of the September 20, 2012 meeting minutes of the Air Quality Control Commission.

Public Comment: The public is invited to comment on any air pollution issue not on the agenda. The Commission will not take action on issues discussed under this item today; however, items may be scheduled for further discussion or action.

CONSENT AGENDA

The Commission will vote on Item Numbers 1 and 2 as part of a Consent Agenda. Adoption of a Consent Agenda allows the Commission to consolidate voting on agenda items that do not need to be discussed individually and for which presentation of additional information is not required.

WRITTEN COMMENT ONLY RULEMAKING HEARINGS

1. **Regulation Number 8, Parts A & E**
   The Commission will consider incorporating by reference new and revised federal National Emission Standards for Hazardous Air Pollutants (NESHAP) into Colorado Regulation Number 8, Parts A&E, Control of Hazardous Air Pollutants.

2. **Regulation Number 18**
   The Commission will consider incorporating by reference revisions to the federal Acid Rain Program into Colorado Regulation Number 18, Control of Emissions of Acid Deposition Precursors.

REGULAR AGENDA

WRITTEN COMMENT ONLY RULEMAKING HEARINGS

3. **Regulation Number 6, Part A**
   (20 minutes presentation, 20 minutes discussion)
   The Commission will consider incorporating by reference new and revised federal New Source Performance Standards (NSPS) into Colorado Regulation Number 6, Part A, Standards of Performance for New Stationary Sources.

BRIEFINGS, DISCUSSIONS AND REPORTS

4. **Commissioner Informational Items**
   Commissioners will discuss among themselves activities that they have participated in over the past month that they believe other Commissioners and/or members of the public may be interested in hearing about.

5. **Division Director's Report –** Will Allison
   - Monthly activities report

6. **Attorney General's Report** – Andrea Gelfuso-Goetz
   - Update of any recent court actions on air quality issues

7. **Administrator's Report –** Mike Silverstein
   - Review November agenda items
   - Review of Action Items from today's Commission meeting

JOINT MEETING WITH THE BOARD OF HEALTH

8. **Annual Report to the Public**
   (10 minutes presentation, 5 minutes discussion)
   Mike Silverstein, Administrator for the Commission, will review the annual report to the public and discuss air quality in the various regions of the state. The Commission will provide an opportunity for public comment.

9. **Annual Assessment of Oil and Gas Operations**
(30 minutes presentation, 20 minutes discussion)
Mark McMillan of the Division will present an overview of oil and gas activities in Colorado and how the Division is responding to the rapidly changing air quality issues. The impacts on permitting and staffing along with significant air-related topics will be presented.

10. **Review of the 2012 Ozone Season**
(20 minutes presentation, 15 minutes discussion)
Ken Lloyd from the Regional Air Quality Council and Gordon Pierce from the Division will present the 2012 summertime ozone monitoring data and report on any exceedances or violations of the ozone standards. The historical ozone trends, the latest control measures that reduce emissions and an overview of the latest ozone modeling results will also be presented.

11. **Impacts of Wildfires on Air Quality**
(20 minutes presentation, 15 minutes discussion)
Gordon Pierce from the Division will discuss this summer's fire impact on air quality. The Division's health effects messaging, air quality monitoring data, and how the Division determines whether fire adversely effects compliance with air quality standards will be presented.

12. **Tightening of Particulate Matter Standards**
(15 minutes presentation, 15 minutes discussion)
Curt Taipale from the Division will present an overview of EPA's proposed revisions to the National Ambient Air Quality Standards for fine particulate matter. The levels of the proposed standards, EPA's projected health and environmental benefits from implementing the rule and implications for Colorado will be presented.

13. **Suncor Underground Leaks and Resulting Air/Water Contamination**
(20 minutes presentation, 15 minutes discussion)
Rob Beierle of the Hazardous Materials and Waste Management Division will present an overview of the underground hydrocarbon leaks from the Suncor refinery (located in Commerce City) and the remediation efforts underway.

14. **Pharmaceutical Wastes and Environmental Impacts of Disposal**
(20 minutes presentation, 15 minutes discussion)
Lillian Gonzalez of the Hazardous Materials and Waste Management Division will present how pharmaceutical waste from health care facilities can legally be disposed of in Colorado, how it is actually being disposed, and what is occurring to make the two match. The role of incinerators in the disposal of pharmaceuticals will also be addressed.

Adjourn
