Subject: Scott Wood and the Metro Dist. BOD

Hi Lisa,

Per our conversation a couple of weeks ago, I am writing to let you know of my interest in the vacant position on the Metro District Board of Directors. I am coming off more than 4 1/2 years on the Vista Ridge Master Homeowner BOD and am looking to remain active in the community. It has been no secret to the other members of the Vista Ridge BOD that when I decided to leave that Board, I was hoping to transition to the Metro District BOD. I look forward to the process, and hopefully, to serving the community in this capacity.
Let me know if you need a resume relevant to the position.

Warm regards, and Happy Holidays
