Re: Rocking Horse Farms Tank Warranty Repairs
TZA Project No. 0414018.01

Dear Ms. Johnson:

The repainting of the Rocking Horse Farms Tank, by Coblaco Services, Inc., was accepted by the District on June 11, 2014. On April 22, 2015, Ramey Environmental Compliance inspected the tank exterior and identified warranty repairs to be completed. I met with a representative of Coblaco Services on May 5, 2015 to review the warranty repairs needed. After numerous attempts to coordinate the work, Coblaco Services completed the repairs on August 5, 2015. I inspected the warranty repairs on August 12, 2015, and found the work to be satisfactory.

Should you have any questions, please contact me at 303-971-0030, Extension 4.

Sincerely,

TZA WATER ENGINEERS
