Shared Understanding of ACC:MMP
WHAT IS COLORADO DOING?
WHY A FEDERAL DEMONSTRATION?
A small number of individuals use a large amount of dollars
Service Coordination Plan
Sharing information
Direct Training
Single, Statewide Ombudsman
Accountable Care Bus
Disability Competent Care
What does "team" mean to you?
energy
POWERED BY:
Person-Centered Care
Advocate/Case Manager
Relationships & Partnerships
Support
Coordinated Approach
Cross-Provider Communication Agreements
Let's work together to make the system less fragmented
Team-Based Care
The solutions will come from within - group
The data shows this is working!
WHAT HAVE WE LEARNED?
People don't know about services & value
But are excited when they learn
Collaboration is tough but worth it
System is still a challenge for clients
It all started way back in...
November 2011
First stakeholder planning meetings
May 2012
Proposal Submitted
July 2011
Agreements Signed
September 2014-July 2015
Enrollment
What Happens?
Access to RECO Care Coordinator
Patients keep Same doctors
Medicare & Medicaid Benefits stay the same
October 2015
State-Wide Conference!
