**RE: Corrections to Drinking Water Enforcement Order, Number: DC-080829-1**

Dear Mill Creek Park Water and Improvement Association:

Mill Creek Park Water and Improvement Association was issued Enforcement Order Number, DC 080829-1 (the "Order") on August 29, 2008. After re-evaluating the facts associated with the issuance of the Order and grammatical errors, please note the following corrections to the Order.

1. Paragraph 7 is superseded and replaced with the following new paragraph:
  7. Mill Creek provides piped water for human consumption from the System to at least fifteen (15) service connections used by year-round residents of the area served by the System and/or regularly serves at least twenty-five (25) year-round residents. The System is therefore classified as a "community water system" as defined by 5 CCR 1003-1, §1.5.2(13).
2. Paragraph 18b is superseded and replaced with the following new paragraph:
  - b. By December 1, 2008, submit for Department review and comment a Preliminary Engineering Report for the Mill Creek System improvements to comply with the surface water treatment and the lead and copper corrosion control treatment requirements.

3. Paragraph 18c is superseded and replaced with the following new paragraph:
  - c. By January 31, 2009, submit Final Design Plans and Specifications for the System improvements for Department review and approval in accordance with the State of Colorado Design Criteria for Potable Water Systems.
  
4. On the bottom of page 7 of 8 of the Order, "Issued at Denver, Colorado, this 29<sup>th</sup> day of August 2007" should be superseded and replaced with "Issued at Denver, Colorado, this 29<sup>th</sup> day of August 2008".

Should Mill Creek Park Water and Improvement Association desire to informally discuss this matter with the Department or if Mill Creek Park Water and Improvement Association have any questions regarding the Order, please don't hesitate to contact Cathy Heald at (303) 692-3254 or by electronic mail at [catherine.heald@state.co.us](mailto:catherine.heald@state.co.us).
