ENFORCEMENT ORDER

NUMBER: DC-060208-2

IN THE MATTER OF: TINA AND KIM OLIVER
d/b/a ELEPHANT ROCK MOBILE HOME PARK
PUBLIC WATER SYSTEM IDENTIFICATION NUMBER: CO-0121200
EL PASO COUNTY, COLORADO

Pursuant to the authority vested in the Colorado Department of Public Health and Environment (the "Department") by §25-1-109 and §25-1.5-203 of the Colorado Revised Statutes ("C.R.S."), which authority has been delegated to the Department's Water Quality Control Division (the "Division"), the Division hereby makes the following findings and issues the following Enforcement Order:

GENERAL FINDINGS

1. Tina and Kim Oliver own and/or operate a drinking water system, known as Elephant Rock Mobile Home Park, located at or near 720 Westward Lane #1, in or near the Town of Palmer Lake, El Paso County, Colorado (the "System").
2. Tina and Kim Oliver are suppliers of water within the meaning of §25-1.5-201(2), C.R.S.
3. The System is a public water system as defined by §25-1.5-201(1), C.R.S. and its implementing regulation, 5 CCR 1003-1, §1.5.2(87).
4. The Public Water System Identification Number ("PWSID"), assigned to the System by the Division is PWSID # CO-0121200.
5. Pursuant to 5 CCR 1003-1, §1.2, the System is subject to the *Colorado Primary Drinking Water Regulations* (the "Regulations"), which were adopted pursuant to §25-1.5-203, C.R.S.
6. Tina and Kim Oliver provide piped water for human consumption from the System to at least fifteen (15) service connections used by year-round residents of the area served by the System and/or regularly serve at least twenty-five (25) year-round residents. The System is therefore classified as a "community water system" as defined by 5 CCR 1003-1, §1.5.2(10).

First Violation
(Failure to Prepare, Certify and/or Deliver a Consumer Confidence Report)

7. Section 9.1, 5 CCR 1003-1 establishes the minimum requirements for the content of the Consumer Confidence Report, annual reports that community water systems must deliver to their customers. These reports must contain information on the quality of the water delivered by the systems and characterize the risks (if any) from exposure to contaminants detected in the drinking water in an accurate and understandable manner.
8. Pursuant to 5 CCR 1003-1, §9.1.2, each community water system must mail or otherwise directly deliver one copy of the System's Consumer Confidence Report to each customer served by the System by July 1 of each calendar year. Each Consumer Confidence Report must contain system information, sampling results, and violation data collected during, or prior to, the previous calendar year.
9. Pursuant to 5 CCR 1003-1, §§9.1.2(d) and 9.1.5(d), each community water system must mail a copy of the System's Consumer Confidence Report to the Department and a certification that the Consumer Confidence Report has been distributed to customers and that the information is correct and consistent with the compliance monitoring data previously submitted to the Department by July 1 of each calendar year.
10. Division records show that Tina and Kim Oliver have failed to provide the Department with a copy of the System's 2004 Consumer Confidence Report, due by July 1, 2005, and have failed to provide the Department with the required certification that this report was distributed.
11. Tina and Kim Oliver's failure to provide the Department with a copy of the System's 2004 Consumer Confidence Report and required certification constitutes violations of 5 CCR 1003-1, §§9.1.2(d) and 9.1.5(d). Additionally, if Tina and Kim Oliver failed to provide each customer served by the System with a copy of the System's 2004 Consumer Confidence Report, such failure constitutes a violation of 5 CCR 1003-1, §9.1.2.

COMPLIANCE ORDER

Based upon the foregoing factual and legal determinations and pursuant to 5 CCR 1003-1, §1.6.7, Tina and Kim Oliver are hereby ordered to:

12. Immediately comply with the *Colorado Primary Drinking Water Regulations*, 5 CCR 1003-1, Articles 1 through 12.

Further, the Division hereby orders Tina and Kim Oliver to comply with the following specific terms and conditions of this Order.

13. Within fourteen (14) calendar days after receipt of this Order, Tina and Kim Oliver shall provide the Division with a copy of the System's 2004 Consumer Confidence Report and required delivery certification. If Tina and Kim Oliver have not prepared the 2004 Consumer Confidence Report, Tina

and Kim Oliver shall prepare, mail or otherwise directly deliver one copy of the report to each customer served by the System and provide the Division with a copy of the report along with the required delivery certification within thirty (30) calendar days of receipt of this Order. At a minimum, the report shall contain the information specified in 5 CCR 1003-1, §9.1. *(Consumer Confidence Report templates are available in an electronic format at the following Internet location: http://www.cdphe.state.co.us/wq/Drinking_Water/Regulatory_Guidance.htm)*

14. Within thirty (30) calendar days after receipt of this Order, Tina and Kim Oliver shall provide a written statement describing those actions that have been or will be taken to ensure that future Consumer Confidence Reports are prepared, certified and distributed as required by 5 CCR 1003-1, §9.1.

a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than one thousand dollars (\$1,000), or by imprisonment in the county jail for not more than one (1) year, or by both such fine and imprisonment and, in addition to such fine and imprisonment, shall be liable for any expense incurred by health authorities in removing any nuisance, source of filth, or cause of sickness. By virtue of issuing this enforcement order, the Department has not waived its right to bring an action for penalties under §25-1-114.1, C.R.S., and may bring such action in the future.

REQUEST FOR HEARING

You are further advised, pursuant to 5 CCR 1003-1, §1.6.7(g), that a recipient of an enforcement order may request a hearing contesting such order. Requests for such a hearing shall be filed in writing with the Department within thirty (30) calendar days after service of the order. Such requests shall state the grounds upon which the order is contested and state the amount of time the recipient estimates will be required for the hearing. You are further advised that under §25-1-114.1(1), C.R.S., the Department may institute a civil action against any person who violates a final enforcement order of the Department issued for violation of any minimum general sanitary standard or regulation adopted pursuant to §25-1.5-203, C.R.S.

Additionally, the Department may request the Attorney General to seek a temporary restraining order or permanent injunction to prevent or abate any violation of a minimum general sanitary standard or regulation adopted pursuant to §25-1.5-203, C.R.S. Further information concerning the aforementioned action is contained in §25-1-114.1(3), C.R.S.
