AMENDMENT NUMBER ONE

NOTICE OF VIOLATION / CEASE AND DESIST ORDER

NUMBER: SO-070514-2

IN THE MATTER OF: DUANE D. BLOOM
JACK OF ALL TRADES RECYCLING CENTER
DELTA COUNTY, COLORADO

Pursuant to the authority vested in the Colorado Department of Public Health and Environment's (the "Department") Division of Administration by §§25-1-109 and 25-8-302, C.R.S., which authority has been delegated to the Department's Water Quality Control Division (the "Division"), and pursuant to §§25-8-602 and 25-8-605 C.R.S., the Division hereby issues the following Amendment Number One to its original Notice of Violation / Cease and Desist Order, Number: SO-070514-2 ("NOV/CDO"), dated May 14, 2007:

AMENDMENT NUMBER ONE

To further clarify the violations cited in the May 14, 2007 NOV/CDO, the Division hereby amends the NOV/CDO as follows:

1. Paragraph 6a is added, which reads as follows, "6a. Pursuant to 5 CCR 1002-61, §61.4(3)(a)(i), facilities proposing a discharge of stormwater associated with industrial activity shall submit a permit application 180 days before that facility commences industrial activity which may result in a discharge of stormwater associated with that industrial activity."
2. Paragraph 7a is added, which reads as follows, "7a. Mr. Bloom's operation of an automobile salvage yard constitutes industrial activity that is subject to stormwater permitting requirements."
3. Paragraph 7b is added, which reads as follows, "7b. Various drainage/irrigation ditches pass through and around the perimeter of the Facility, which are "state waters" as defined by §25-8-103(19), C.R.S. and its implementing permit regulation, 5 CCR 1002-61, §61.2 (101)."
4. Paragraph 7c is added, which reads as follows, "7c. Mr. Bloom's industrial activity at the Facility has the potential to result in a discharge of stormwater to state waters."
5. Paragraph 9a is added, which reads as follows, "9a. Additionally, Mr. Bloom's failure to obtain CDPS permit coverage for the Facility constitutes violation(s) of 5 CCR 1002-61, §61.4(3)(a)(i)."

6. The NOTICE OF VIOLATION section is revised to reflect the addition of Paragraph 6a and Paragraph 9a. A new paragraph is added to the end of the section, which reads as follows, “**5 CCR 1002-61, §61.4(3)(a)(i)**, which states in part, ‘Facilities proposing a new discharge of stormwater associated with industrial activity shall submit an application 180 days before that facility commences industrial activity which may result in a discharge of stormwater associated with that industrial activity.’”

OBLIGATION TO ANSWER AND REQUEST FOR HEARING

Pursuant to §25-8-603, C.R.S. and 5 CCR 1002, §21.11(A) you are required to submit to the Division an answer affirming or denying the findings in paragraphs 1-5 of this Amendment Number One to the NOV/CDO, and responding to the violation cited in paragraph 6.

Section 25-8-603, C.R.S. and 5 CCR 1002, § 21.11 also state that you may request the Division to conduct a public hearing to determine the validity of this Amendment Number One to the NOV/CDO. The Division is aware that you previously submitted a request for a hearing to contest certain findings and violations cited in the original NOV/CDO. In order to contest any of the findings or violations cited in this Amendment Number One, you must file a separate request for a hearing. Such request shall be filed in writing with the Division and include the information specified in 5 CCR 1002-21, § 21.4(B)(2). In such event, the Division would schedule a hearing to deal with the issues you contest from both the original NOV/CDO and this Amendment Number One. If you do not file a separate request for hearing regarding this Amendment, the validity of the factual allegations and the violations cited herein shall be deemed established in any subsequent Department proceeding. In such case, the adjudicatory hearing which you previously requested would be limited to the findings of fact and violations that you denied from the original NOV/CDO.

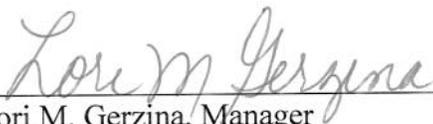

Both the answer and request for hearing, if any, shall be filed no later than thirty (30) calendar days after issuance of this Amendment Number One. The filing of an answer does not constitute a request for hearing.

SCOPE OF AMENDMENT NUMBER ONE

The scope of this Amendment Number One to the NOV/CDO is limited to the revisions outlined above. All other terms and conditions of the original NOV/CDO shall remain unchanged and in effect.

Issued at Denver, Colorado, this 25th day of June, 2009.
