Re: **VOTER REGISTRATION ELIGIBILITY**

Dear Sir/Madam,

We have information indicating that you may not be a U. S. citizen and that you are registered to vote. In Colorado, only U.S. citizens can register to vote and vote. We are relying upon immigration information you previously gave to the Division of Motor Vehicles in the Department of Revenue when you applied for or renewed your driver's license or state identification card. This information was later crosschecked with the United State Department of Homeland Security (DHS).

Please complete and return the Colorado Secretary of State's office the enclosed "Admission or Denial of Non-U.S. Citizen" return form with thirty (30) days of receipt of this letter. You may return the form by mail, fax, or email, or you may return the form in person to the office. To the extent requested on the return form, include a copy of any document that either shows you are not the person identified in this letter, that you are a U.S. citizen, or that your immigration status has otherwise changed. If your name is now different or has changed from the name that appears in the documentation you are now providing or previously gave to the Division of Motor Vehicles, be sure also to provide documentation of that name change. Examples of proof of U.S. Citizenship include, but are not limited to:

- *U.S. Birth Certificate.* If you cannot find your birth certificate, please contact the vital statistics office in the state or U.S. territory that originally issued your certificate.
- *U.S. Passport (booklet or card).* If you cannot find your U.S. Passport, please contact the U.S. Department of State at 1-877-487-2778 (TTY 1-888-874-7793) or visit the website at: [http://travel.state.gov/passport/lost/lost\\_848.html#](http://travel.state.gov/passport/lost/lost_848.html#).
- *U.S. Consular Certificate of Birth.* If you cannot find your U.S. Consular Certificate of Birth, please contact the U.S. Department of State 202-955-0521 or visit the U.S. Department of State's website at: [http://travel.state.gov/passport/get/first/first\\_825.html#](http://travel.state.gov/passport/get/first/first_825.html#).
- *Naturalization Certificate or Certificate of Citizenship.* If you cannot find your Naturalization Certificate or Certificate of Citizenship, or believe that there is some problem with your records that needs to be corrected by the DHS' United States Citizenship and Immigration Services (USCIS), please refer to the enclosed "Information for Registrants: Verification of Citizenship Status and How to Obtain Your Document or Correct Your Record with USCIS."

**If you do not respond within thirty (30) days, we may determine that you are ineligible and remove your name from the voter registration rolls. If you are removed, you are no longer eligible to vote.**

If you have any questions, please do not hesitate to contact us at (303) 894-2200.

Sincerely,

Scott E. Gessler
