Re: Capital development requirements affecting LLS 13-0370

LLS 13-0370 CONCERNING THE STATE BOARD OF LAND COMMISSIONERS' INVESTMENT IN COMMERCIAL REAL PROPERTY, AND, IN CONNECTION THEREWITH, GRANTING THE STATE BOARD OF LAND COMMISSIONERS THE AUTHORITY TO ENTER INTO LEASE-PURCHASE AGREEMENTS , involves **capital development**. This bill appears to be subject to the following requirement:

- **Copies reviewed by the Capital Development Committee**
(House Rule 50 and Senate Rule 42 require that copies of bills, having been determined by the rules of the House or Senate to be dealing with capital construction requests, controlled maintenance requests, or proposals for the acquisition of capital assets, be sent to and reviewed by the Capital Development Committee for advisory recommendations to the bill's assigned committee of reference.)

We have also communicated this information to the sponsor of the bill and to the chair of the Capital Development Committee.

If you have questions, please contact our office.
