Description: The board consists of 13 members, as follows:

2 members, the Executive Director of the Department of Natural Resources and the Commissioner of Agriculture, who are ex officio nonvoting members; and

The following 11 voting members, who are appointed by the Governor with the consent of the Senate:

- 3 members who are sports persons who can demonstrate a reasonable knowledge of wildlife issues and who have obtained a hunting or fishing license issued under this title for at least each of the three years prior to their appointments. One of the members must be an outfitter registered pursuant to article 55.5 of title 12, C.R.S.
- 3 members who are actively involved in production agriculture as owners or lessees of the agricultural property and owners or partial owners of the commodities produced on the land and who can demonstrate a reasonable knowledge of wildlife issues;
- 3 members who can demonstrate that they regularly engage in outdoor recreation and utilize parks resources. One member shall represent a nonprofit organization that supports and promotes the conservation and enhancement of Colorado's wildlife and habitat; recognizes and promotes primarily nonconsumptive wildlife use; and has expertise in wildlife issues, wildlife habitat, or wildlife management; and
- 2 members from the public at-large.

In appointing members the governor shall make appointments that ensure that a

reasonable balance of the following areas of knowledge and experience, as they relate to parks and wildlife, are represented: Outdoor business, service as a current or former local elected official, youth outdoor education, wildlife biology or science, energy, conservation, beneficial uses of water, land conservation and conservation easements, and diversified trails interests and activities. The governor shall give preference to persons with experience or expertise in multiple areas of knowledge.

Of the voting members appointed to the commission, there shall not be a difference of more than one person between those members affiliated with any major political party.

Initial appointments of voting members of the commission are as follows: Two members to serve until July 1, 2013; three members to serve until July 18, 2014; three members to serve until July 18, 2015; and three members to serve until July 18, 2016. All subsequent appointments are for terms of four years.

In making initial appointments to the commission the governor may select persons serving on the former parks and wildlife board, as that board existed on June 30, 2012. However, a person so appointed is ineligible to serve any of the initial appointments that would result in extending for more than two years the date on which the person's parks and wildlife board term would have expired.
