

4.2 – Review of Suitability Requirements for Licensees

The Task Force recommends that the General Assembly adopt laws identifying persons prohibited as licensees conforming to Section 12- 43.3-307, C.R.S., **except that any lifetime prohibition under that section shall only last until 5 years from the date upon which this legislation is signed or ten years from the date of a disqualifying event, whichever is longer**, and removing those prohibitions that are not directly and demonstrably related to the operation of an adult-use marijuana establishment.
