Joint Rule 25 Recommendations: Department of Regulatory Agencies

- The House Committee on Business, Labor, Economic and Workforce Development Committee seeks opportunities to work with Governor Hickenlooper, DORA Director Kelly, and her staff, to communicate to the people of Colorado the relative safety and renewed opportunity that exists in the Colorado residential real estate market
- The House Committee on Business, Labor, Economic and Workforce Development Committee respectfully requests from DORA a list of any regulated profession that has experienced a decrease in population of 25% or more during any span of time over the past five years.
