The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating \$84,147 total funds, including \$66,689 General Fund, to the Department of Revenue for FY 2014-15. Of this amount, \$80,027 is for the purchase of additional identifying license plates and \$4,120 is for programming of the Colorado State Titling and Registration System (CSTARS). The provision also reappropriates the \$4,120 to the Governor's Office of Information Technology to perform the programming work for the Department of Revenue. Pursuant to direction from the Chairmen of the Appropriations Committees, this amendment includes a provision to access the \$20.0 million General Fund that has been set aside in the Joint Budget Committee's FY 2014-15 budget package to fund 2014 legislation.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2014-15 based on the March 2014 Office of State Planning and Budgeting revenue forecast. The budget package allocates \$20.0 million General Fund to be available to fund 2014 legislation; if the full \$20.0 million is not used to fund legislation, it will be credited to the Controlled Maintenance Trust Fund.
