Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$12,240 cash funds from the Colorado Water Conservation Board Construction Fund to the Department of Natural Resources for FY 2015-16.

Points to Consider

TABOR/ Excess State Revenues Impact

This bill is estimated to increase cash fund revenues by \$12,240 in FY 2015-16 and \$32,640 in FY 2015-16. The March 2015 Legislative Council Staff (LCS) revenue forecast projects a TABOR surplus liability which must be refunded to taxpayers out of the General Fund. Legislation that

HB15-1016**JBC Staff Analysis**

increases non-exempt revenue (such as cash funds) to the State will further increase the TABOR refund made out of the General Fund. Correspondingly, this will reduce the amount of General Fund available for programs.
