Summary of Legislation

This bill encourages school districts to negotiate and enter into a memorandum of understanding with each municipal law enforcement agency, and each sheriff's department with jurisdiction over at least one school of the school district, to establish procedures to minimize unnecessary student contact with law enforcement agencies and courts as disciplinary responses to school incidents.

Local Government and School District Impact

For school districts and local law enforcement agencies who choose to negotiate a memorandum of understanding, a minimal workload increase may be incurred.

Effective Date

The bill takes effect August 5, 2015, if the General Assembly adjourns on May 6, 2015, as scheduled, and no referendum petition is filed.
