

Registration deadline is August 15, 2008.

The Nevada Commission on Economic Development, in cooperation with WUSATA, will be coordinating participation for a Trade Mission to Beijing, China, December 2008.

This will be an excellent opportunity for companies to participate in the growing Northern China market especially after new demand for Western foods created by the Beijing Olympics.

Immediately after FHC Shanghai 2008, WUSATA will be offering this optional trade mission (Dec, 7-8) to Beijing, China, where individualized meetings will be set up for companies to meet with importers/distributors. Interpreters will also be provided. Reimbursement of one-way airfare between Shanghai and Beijing, and 2 nights lodging in Beijing are included with the mission. Space is limited to 10 companies and a maximum of 2 people per company is allowed.
