

Please join us.

We cordially invite you to join us as we kick off Colorado's **OWN YOUR FUTURE** campaign with the honorable Governor Bill Ritter, Jr.

The State of Colorado is partnering with the U.S. Department of Health and Human Services to encourage Coloradans to plan ahead for their future long-term care needs.

We hope you will join us as Colorado community leaders come together for this special news event. Be sure to visit the resource tables at the event for more information on long-term care planning and healthy aging.
