The testing fee is \$100 and each site is limited to 10 applicants. Reservations will be taken on a first-come, first-served basis. Appointments must be made with the Department of Agriculture at least one week prior to the test date. Dates will be cancelled if there are less than four registrants seven days prior to the testing day. All tests are scheduled to begin at 8:00 a.m. unless otherwise noted. Test administrators will wait for registrants and walk-ins at the site until 10 a.m. Each exam may be taken twice; however, there is no grading available at the testing facilities. Tests will be graded in Lakewood, Colorado. Contact Mary Jo Dennis at (303) 239-4148 to register for testing. In Colorado, individuals interested in applying for a private pesticide applicator license should contact Carol Barton, with the Colorado Department of Agriculture, at (303) 239-4186 or via e-mail at carol.barton@ag.state.co.us.
