

## Conference Sponsorship

At the 2008 Fall Educational Conference we will be having two vendor nights. These nights typically start after dinner, around 7:00pm and end around 9:00 pm. Munchies are served in the same area where the vendor booths are set up. Additionally, the conference committee as well as some vendors provides door prizes that are given out during vendor nights. Direct dollar sponsorship is required to participate in the vendor nights. There are three levels of financial sponsorship this year:

The **PLATINUM** sponsorship for \$2,000 +. For this contribution, a table (or two if needed) will be provided in the separate vendor room for displaying products (you may bring your own pop-up if it fits the size specifications). These sponsors are provided all meals and breaks, conference passes, and attendee gifts for **three** people. Additional attendees must pay a \$350 registration fee. *Rooms are not provided. The vendor must make separate reservations directly with the hotel.* .

The **GOLD** sponsorship for \$1,500. For this amount, a table is provided in the separate vendor room for displaying products (again, you may bring your own pop-up if it fits). Sponsors at this level are given all meals and breaks, a conference pass and an attendee gift for **one** person. Additional attendees must pay a \$350 registration fee. *Rooms are not provided. The vendor must make separate reservations directly with the hotel.*

The **SILVER** sponsorship for \$1,000 is available for vendors who wish to participate in sponsoring the conference. For \$1,000 vendors will be provided with a table during the **daytime only** outside the main conference rooms. Sponsors at this level are given all meals and breaks, a conference pass and an attendee gift for **one** person. Additional attendees must pay a \$350 registration fee. *Rooms are not provided. The vendor must make separate reservations directly with the hotel.*

Additional vendor sponsorship opportunities are available for meals, the refreshments for Vendor Night, or donation of door prizes.

Online registration for the conference will be available in late June or early July.

Thanks for your interest and support in the conference.
