

What Colorado.gov Can Do For You:

- ▶ Provide eGovernment expertise
- ▶ Build, host and maintain online services for free
- ▶ Remain politically independent
- ▶ Market your online services
- ▶ Provide customer support and Live Help
- ▶ Provide billing and financial services
- ▶ Ensure online security

...And much more!

You Serve Colorado For a Reason.

Working together to link citizens and businesses to government.

www.Colorado.gov

Benefits of working together include:

- ▶ Increased efficiency and effectiveness of services – Access the government 24/7 and reallocate human resources
- ▶ Increased production – Utilize Colorado.gov's self funded model to reach a larger volume of customers
- ▶ Partnering with experts in eGovernment services
- ▶ Streamlining government to businesses, citizens and government itself
