

## **Robert G Bush, AIF**

Robert Bush has over 34 years of investment experience in the fixed income and equity markets. Mr. Bush is Founder and President of E.R.I.C Forecasting Publications, an investment consulting service targeted towards the professional investor. His consulting company has gained a national reputation within the fixed income community and encompasses clients from San Francisco to Boston. The unique combination of prior experience in money management, institutional sales, corporate management and public sector management has molded Robert's approach to today's markets.
