## Rewards with every Advantage rental:

After your first rental with us, you will be assigned an Easy ID number, which can be found on your receipt or by asking any Advantage representative. Use this ID number every time you book to save time, earn free days and get express sign-and-go service at our airport locations:

- **FREQUENT RENTER CLUB:** You earn at least 125 Frequent Renter Points every time you rent with Advantage. Once you hit 500 points – just four rentals – you earn a free day! Just use your Easy ID when you rent to accumulate Frequent Renter points and you'll be on your way to saving on your next rental. We offer easy ways to earn points faster and regular emails to keep track of your points – visit [Advantagerentacar.com](http://Advantagerentacar.com) to learn more.
- **EASY RENTAL:** When you book using your Easy ID, you'll receive Easy Rental express service at our airport locations. Just follow the directional signage to the Easy Rental counter, sign your contract, grab your keys and go. No lines, no waiting. It's that easy!

## Renter Requirements:

- All drivers must be over the age of 18 and possess a valid driver's license. Drivers aged 18-21 may only rent on state business and are not eligible for leisure rentals.

## Payment Options:

- The State of Colorado mandates that all renters use the State Travel card – currently U.S. Bank VISA – or a Central Travel Card. If you or your department does not have a State Travel card, you must contact Lenora Kingston in the State Travel Program to obtain information on how to obtain either a US Bank VISA individual card or a Central Travel card.
- Advantage will allow rentals in Colorado to be placed on a Central Travel card without having the card present at the time of rental. This allows travel coordinators to rent vehicles for infrequent travelers without needing a State Travel card. Details of this process is available on the State Travel Management Program (STMP) website: [www.colorado.gov/travel](http://www.colorado.gov/travel)

## Coverage:

- The State Travel Card offers Collision Damage Waiver (CDW) on all Advantage rental vehicles provided in the Basic Ordering Agreement for rentals except pick up trucks and 15-passenger vans; these vehicles will include a Loss-Damage Waiver (LDW). **Please Note:** 15 passenger van rentals require the completed Large Van Addendum prior to rental.
- Advantage includes liability up to \$600,000 on all rentals. Advantage and the State Travel card **do not** cover off-road usage, as defined on the STMP website.

## Tax Exempt Status:

- The State of Colorado is tax exempt when using the Central State Travel Card. Individual State Visa cards are not tax exempt.
