## Colorado Roadworthy Motor-Driven Cycle Checklist

**\*\*To be completed by Certified VIN Inspector\*\***

C.R.S. 42-1-102 (56) "Motor-driven cycle" means every motorcycle, including every motorscooter, with a motor which produces not to exceed six-brake horsepower and every bicycle with motor attached, but not trail bikes, minibikes, go-carts, golf carts, and similar vehicles which are not designed for or approved by the department for use on the public roads or highways and not motorized bicycles.

C.R.S. 42-6-102 (15) "Roadworthy" vehicle has sufficient power and is fit to operate on the roads and highways. Vehicle is equipped with all its major parts and systems and all other equipment required by Colorado Law.

- 42-4-205(2) **Head Lamps-** Every motorcycle and every motor-driven cycle shall be equipped with at least one and not more than two head lamps which shall comply with the requirements and limitations of sections 42-4-202 and 42-4-204 to 42-4-231 and part 3 of this article where applicable thereto.
- 42-4-206 **Tail Lamps and Reflectors-** Equipped with one tail lamp mounted on rear shall emit red light plainly visible from distance of 500 feet. Height measured not more than seventy-two inches nor less than twenty inches. Every motorcycle and every motor-driven cycle shall carry at least one reflector meeting the requirements of this section (5).
- 42-4-208 **Stop Lamps-** All motorcycles or motor-driven cycle manufactured after January 1, 1958 shall be equipped with at least one stop lamp meeting the requirements of this section.
- 42-4-223 **Brakes-** Equipped with brakes to control the movement and to stop and hold a vehicle. One wheel shall be equipped with brakes.
- 42-4-224 **Horns-** Equipped with a horn in good working condition with an audible sound of two hundred feet.
- 42-4-225 **Mufflers-** Adequate muffler to prevent excessive noise.
- 42-4-226 **Mirrors-** Equipped with a mirror free of obstruction that views a distance of two hundred feet to the rear.
- 42-4-228(6) **Restrictions on Tire Equipment-** Must be marked DOT on-road use.
- 42-12-104(3) **Special Equipment or Modifications-** All original safety equipment must be in proper working condition.
