Directions for Accessing Committee Bills and Fiscal Notes

1. To access committee bills and fiscal notes, begin by clicking on the **Bills and Fiscal Notes** link on the committee page.

2010 Committee Schedule							
Meeting Days	Time	Location	Meeting Information				
Tuesdays	Upon Adjournment	HCR 0107	House Calendar	Bills and	Meeting		
Wednesdays	Upon Adjournment and 1:00 PM	HCR 0107		(Access	Summaries and Votes (Access Instructions)		
Wednesdays (Joint Meeting)	7:30 AM	HCR 0107					

2. You will be taken to the view below. You will then select your committee of interest and the bill status. With regard to bill status, you can view all bills currently in committee, scheduled, or reported out. Once you have selected your committee and bill status option, click on the View Results link at the bottom of the page.

3. In this instance, the View Results view will provide a listing of all bills reported out of the House Local Government Committee for the 2009 legislative session. Under the All Bill Versions column you can click on the All Versions link and access all versions of the bill — Introduced, Reengrossed, Rerevised, Final Act, etc. Under the Fiscal Note column you can access the various versions of the fiscal note. Fiscal notes are updated at various stages throughout the legislative process as the bill is amended. The date the fiscal note was completed is provided in this view.
