This form is used to replace a lost, stolen or destroyed regular or CDL Colorado driver's license or extend the expiration date of a regular Colorado driver's license for those temporarily out of the state. CDL drivers, please refer to the note, below, regarding extensions. This service is provided by Motor Vehicle Customer Service Section at 1881 Pierce Street, Lakewood, CO only.

NOTE TO CDL DRIVERS: Reissues out of state are available for Commercial Driver's licenses, if there is a valid DOT medical on record. However, due to medical and testing requirements for CDL drivers, **extensions** are limited to 30 days, only. There is no fee for this 30-day extension. Please submit your request to the address listed in the Instructions for this form.
