

# Extension of Time for Filing Colorado Oil Shale Severance Tax Return

## Instructions

Colorado severance tax returns are due to be filed 3½ months after the close of the tax year.

An automatic six-month extension of time for filing the Colorado severance tax return is allowed for all taxpayers. However, an extension of time to file is not an extension of time to pay the tax. If at least 90% of the net tax liability is not paid by the original due date of the return, penalty and interest will be assessed. If 90% or more of the net tax liability is paid by the original due date of the return and the balance is paid when the return is filed by the last day of the extension period, only interest will be assessed.

Use the DR 0021SE to make a payment that must be made by the original due date of the return to meet the 90% requirement.

If after the original due date of the return it is found that the amount paid is insufficient to meet the 90% requirement, additional payment should be made as soon as possible to reduce accumulation of penalty and interest. Make such payment on the DR 0021SE.

Submit the DR 0021SE with payment to:  
 Colorado Department of Revenue  
 Denver, CO 80261-0008
