

Senate Transportation Committee Information

Meeting times and locations. The Senate Transportation Committee meets on Tuesday afternoons beginning at 1:30 p.m. and Thursday mornings upon adjournment of the Senate floor session. The committee's designated meeting room is Senate Committee Room 352. Occasionally, the committee meets in a different room to accommodate larger crowds or the needs of other committees. Changes to the committee's regular schedule are announced on the Senate floor prior to adjournment.

Committee hearings. Committee meetings are broadcast over the internet. If you are not able to attend the meeting in person, you can listen live over the internet. To access the live feed, go the General Assembly's main page at <http://leg.state.co.us>. At the top of the page is a link to audio broadcasts of current proceedings. Individual committee hearings can be accessed by clicking on the room in which the meeting is occurring. Again, the Senate Transportation Committee meets in SCR 352 unless otherwise noted in the calendar or on the Senate floor.

Testifying before the committee. If you would like to testify before the committee, please sign up prior to the start of the meeting on the designated sign-up sheets. The sign-up sheets are available on the committee table. There will be a separate sign-up sheet for each bill the committee is hearing at the meeting.

The chair of the committee is responsible for overseeing public testimony and will recognize those on the sign-up sheets in an order most conducive to the business before the committee. With rare exception, everyone signed up to testify will be called upon. Because the meetings are taped and broadcast over the internet, individuals who are testifying are asked to wait to be recognized by the chair prior to beginning their testimony. The appropriate manner of address to the committee chair is "Madam Chair." The appropriate manner of address to Senate committee members is "Senator."

Once you have been recognized by the chair, you may begin your testimony by giving your name and the name of the organization you represent, if any. Committees are subject to tight deadlines and busy schedules. As a courtesy to the legislative members as well as those in the audience waiting to testify, please keep your testimony concise, relevant to the bill, and, to the extent possible, do not repeat testimony that has already been provided to the committee. If you wish to distribute materials to the committee, please bring eight copies - one for each member of the committee, and a copy for the committee's official record. Please hand any materials to the committee staff person, who will distribute the materials to the committee members.

Please observe professional decorum during the committee meetings. Clapping, booing, or otherwise disruptive behavior is not permitted. In addition, please avoid any personal attacks or other emotional outbursts. Finally, please turn off all cell phones and electronic devices prior to the start of the meeting.

Joint meetings with the House Transportation Committee. Joint Rule 25 requires the Senate Transportation Committee and the House Transportation Committee to stay advised of the activities, functions, and budgets of the Department of Transportation and the Public Utilities Commission. The Senate Transportation Committee meets jointly with the House Transportation Committee to receive briefings from these departments and the Joint Budget Committee.
