Unless cities, counties or special districts have adopted an ordinance or resolution to exempt LEV heavy vehicles, local taxes are due on the purchase or sale of LEV heavy vehicles. Refer to Colorado Sales/Use Tax Rates (DR 1002) to determine if a city or county has allowed this exemption. Home-rule cities are also listed in the DR 1002. Some home-rule cities enact their own sales tax ordinances and collect their own taxes. Contact home-rule cities directly for their rules regarding sales taxes. Purchaser must present form with Manufacturer's Statement of Origin or title and proof of purchase at the time of registration. Dealer must keep a copy of this form in their files.
