Forms and Information

If you have any questions you may call the Department at 303-238-SERV(7378) or visit the official taxation Web site at www.TaxColorado.com for forms and information.

Lines 16 through 22 compute the amount owed to the state on the amended return. Any decrease in the amount of the overpayment (line 16) or increase in the amount owed (line 17) will indicate that an amount is owed with the amended return. To pay the amount you owe, write your Colorado account number or FEIN on your check. Enclose but do not attach your payment with DR 0020AX.

Lines 23 through 26 compute the amount of credit available on the amended return. Any increase in the amount of the overpayment (line 23) or decrease in the amount owed (line 24) will indicate that an overpayment is available with the amended return. The overpayment can be credited to estimated tax (line 26) for the tax year following the period on the amended return, or can be requested as a refund (line 25).

To pay the amount you owe, write your Colorado account number or FEIN on your check. Enclose but do not attach your payment with DR 0020AX.

Direct Deposit

The Department can deposit your refund directly into your account at a U.S. bank or other financial institution (such as a mutual fund, brokerage firm, or credit union) in the United States.

Enter the routing and account numbers and account type where indicated. The routing number is 9 digits. Account numbers can be up to 17 characters (numbers and/or letters). Include hyphens, but do **not** enter spaces or special symbols.

We recommend that you contact your financial institution to insure you are using the correct information and that they will honor a direct deposit. See the sample check below to assist you in finding the account and routing numbers.

The Department is not responsible for a lost refund if you enter the wrong account information. Any refund claim that, for any reason, cannot be deposited into the account specified will be issued and mailed in check form instead.
