RE: Denial of license

Case File No. EC5462

Dear Ms. Blank:

Your new application for licensure was forwarded to the Colorado Division of Insurance (the "Division") by Pearson VUE, the Division's licensing agent. The Division reviewed your application and has **DENIED** your new application for licensure as a resident insurance producer with life authority pursuant to §§ 10-2-404(1), 10-2-801(1) and 24-4-104(8), C.R.S. You have no authority to sell, solicit or negotiate any insurance business. The application for licensure is denied pursuant to §§ 10-2-801(1)(c), (i) and (m) C.R.S. The reasons for denial are as follows:

- Violation of, or noncompliance with, any insurance law, or violation of any lawful rule, order, or subpoena of the commissioner or of the insurance department of another state;
- Failure to fully meet licensing requirements; and
- Pima County Court case number 91CR00532 shows you were charged with § 18:2113(a) Bank Robbery, a felony requiring an 18 U.S.C. § 1033 waiver in order to participate in the business of insurance.

Pursuant to §§ 24-4-104(9) and 24-4-105, C.R.S., you may make written demand on the Division for a hearing to determine the reasonableness of this denial. Such demand shall be made upon the Division within 60 days from the date of this letter. If you do not request a hearing within 60 days from the date of this letter, the denial of your application for licensure will become non-appealable. You will not receive another notification from the Division regarding the non-appealability of the denial

of your application for licensure. The denial of your application for licensure will be reported to the National Association of Insurance Commissioners.
