Colorado Revised Statute (CRS) § 25-4-2403 (7) provides that an individual or a parent or legal guardian has the right to exclude immunization information from the Colorado Immunization Information System (CIIS).

CRS § Section 25-4-2403 (7) requires that the:

- Colorado Department of Public Health and Environment shall ensure that the process to exclude immunization information from CIIS is readily available and not burdensome.
- Physician, licensed health care practitioner, clinic, hospital or local health department shall inform the individual, parent, or legal guardian of the option to exclude immunization information from CIIS and the potential benefits of inclusion in CIIS. In addition, the physician, licensed health care practitioner, clinic, hospital, or local heath department shall inform such parent or legal guardian of a minor individual of the option to refuse an immunization on the ground or medical, religious or person belief considerations under CRS Section 24-4-903 (school entry requirements).

Each Participating Site that discloses immunization information to CIIS is required to provide the individual, parent or legal guardian notice of the option to exclude immunization information from CIIS and the potential benefits of inclusion in CIIS.
