## **Colorado School Safety Resource Center**

Established through legislation in 2008 (CRS 24-33.5-1801, et seq.)

The mission of the Colorado School Safety Resource Center is to collaboratively assist educators, emergency responders, community organizations, school mental health professionals, parents, and students to create safe, positive and successful school environments for all Colorado students in pre K-12 and higher education schools.

The CSSRC provides resources and training using the U.S. Department of Education's four phase model of crisis planning for schools: prevention/mitigation; response; preparedness and recovery.

Cycle of Crisis Planning\*
